EPA Administrator Pruitt Speaker Request Form - NTEA Green Truck Summit.docx

Ryan,

It was nice to connect at Senator Inhofe's b-day party earlier this week. It is a real testament to your former boss when so many former staff show up. There aren't many like him anymore!

To follow up our conversation regarding the speaking invitation for Administrator Pruitt from the National Truck and Equipment Association, I have attached the form for your review. If you wouldn't mind reviewing it quickly so see if the request can be improved, I would appreciate it. If you think it looks ok, I will have them submit it.

Thanks, and have a Happy Thanksgiving.

Scott
