Why this wall paint
gives you more
for your dollar

So easy!

Super Kem-Tone® is neither too thick nor too thin. Flows on smoothly, evenly. All the skill you need is in the paint.

So quick!

Does a room in half a day or less. Dries in 20 minutes. Painting tools clean up quickly in plain water.

So thrifty!

One gallon does the walls of an average room. Goes farther, gives better 1-coat coverage than most other wall paints.

So beautiful!

Hundreds of lovely colors to choose from. All are guaranteed washable and they keep their "just painted" look longer.

...and for beautiful woodwork
throughout the house

Use Sherwin-Williams Kem-Glo® the world's leading enamel for woodwork, kitchens, bathrooms. Looks and washes like baked enamel. Color-matched with Super Kem-Tone.
