Hey! I'll definitely keep you posted. Just told your boss about the effort too by the way.

Tate –

I just wanted to drop a quick not to say thank you for participating and speaking at COSDA. Having EPA being a partner with the organization is going to be tremendously beneficial for the long-term. I look forward to working with you and your team.

Also, below is my contact information, including my cell phone, for sending the grant application information and for sharing with your team.

Thanks again,  
Jen
