

1 from Dr. Rubin, from Dr. Gabrielson is a substantial
2 contributing factor' and that is because there is no
3 safe level of exposure to asbestos when it comes to
4 the disease mesothelioma.

5 By the way, ladies and gentlemen, that is
6 uncontradicted medical evidence. There has not been a
7 medical doctor from the defense side to refute that
8 issue.

9 Not a single medical doctor from the defense
10 side testified that that is not the case.

11 Each and every exposure.

12 Now, Mr. Shellenberger, if we could go
13 through the exposures for Mr. Grewe, please.

14 You will see there were a number of
15 witnesses who testified, and you saw Mr. Grewe's
16 videotape. You saw his testimony about the products
17 that he was exposed to. You heard from Mr. Grossblat
18 who was one of those eyewitnesses that worked with Mr.
19 Grewe.

20 Mr. Grewe's asbestos exposure, an automobile
21 mechanic from 1957 to 1992. He performed brake
