Importance: High

Troy,
Hello from Earl and Wanda Barrs in Georgia, Gully Branch Tree Farm. Our thoughts are with your team and Administrator Pruitt as he continues to be challenged at every turn with difficult decisions and external concerns. This note comes especially to convey our continued support and willingness to be outreach support during these difficult times.

In addition, I must admit a faux pas on my end. As I was preparing to write notes to individuals this morning I discovered neatly between my pages of stationary notes to both Administrator Pruitt and Sec. Perdue which should have been mailed in mid-July!! These are now on the way to Admin. Pruitt's office. Please ensure Adm. Pruitt is not confused due to my "senior moment".

Best Regards,
Wanda Barrs

Lauren and Troy,
Please find a scanned copy of the letter forthcoming to our leaders Secretary Perdue and Administrator Pruitt via US Postal Service. Their visit to our farm and Georgia has made a difference in our leaders' optimism regarding the future of forestry and natural resources.

Please distribute to team members as appropriate. Your efforts on our behalf are greatly appreciated.

Best regards,
Wanda and Earl Barrs
