Subject: Re: Speaking Request for Admin. Pruitt

Maddy,

Thanks for the follow-up and the update on Michelle and Sydney. Please pass along my regards and hope for their success back in Oklahoma.

I will fill out this form and submit it on Friday. I'm currently on vacation with family, but want to make sure to turn this around for you and Administrator Pruitt as quickly as possible.

FYI: While my original inquiry to Michelle and Sydney was for Mr. Pruitt to speak at Heartland's 33rd Anniversary Benefit Dinner "sometime in September or October," we've canceled that event and are instead hosting what Heartland is calling the America First Energy Conference on Thursday, November 9, 2017 in Houston, Texas.

The conference's purpose, as the name suggests, is to promote the Trump administration's excellent agenda on that topic – one that abandons the dead-end "green energy" push of the Obama years. Especially because the president wants to make America a global power again in energy production, we selected the hub of our energy sector in Houston as the conference city.

We expect an audience of several hundred – as well as a healthy contingent of media – and we've reserved one of our three plenary keynotes for Administrator Pruitt (his choice of, roughly, 8 a.m, noon, or 7 p.m.). I'd be happy to share our *very* rough draft of the schedule with you, as well as the form you've sent, if that helps. The website we've created for our conference is AmericaFirstEnergy.org. It's officially "live," but will not be announced to the public for about another week. It contains the broadest of outlines of our plans, and gives an indication of how it will be promoted.

Thanks, again, for reaching out, and I look forward to future communications.

Regards,

Jim Lakely

Subject: Speaking Request for Admin. Pruitt

Hi Jim,

I just wanted to send you a quick email and introduce myself. I know you worked prior with Sydney and Michelle in our office, but they have now returned to Oklahoma. I have your original request, but was hoping you would fill out the attached form. This just has everything we need to get the ball rolling on our end.

Appreciate the help, and please let me know if you need anything!

Best,
Maddy
