August 13, 1985

L. W. Saxby - T/27

V. Grasmueck - Berlin

F. O'N. Brisley - OB 6 ✓

As you requested during your recent visit to the Berlin ~~plant, please~~ find the attached update on cases involving asbestosis.

The tabulation (41 items) will give an indication of the progress of the diagnosed cases for persons still employed at the facility.

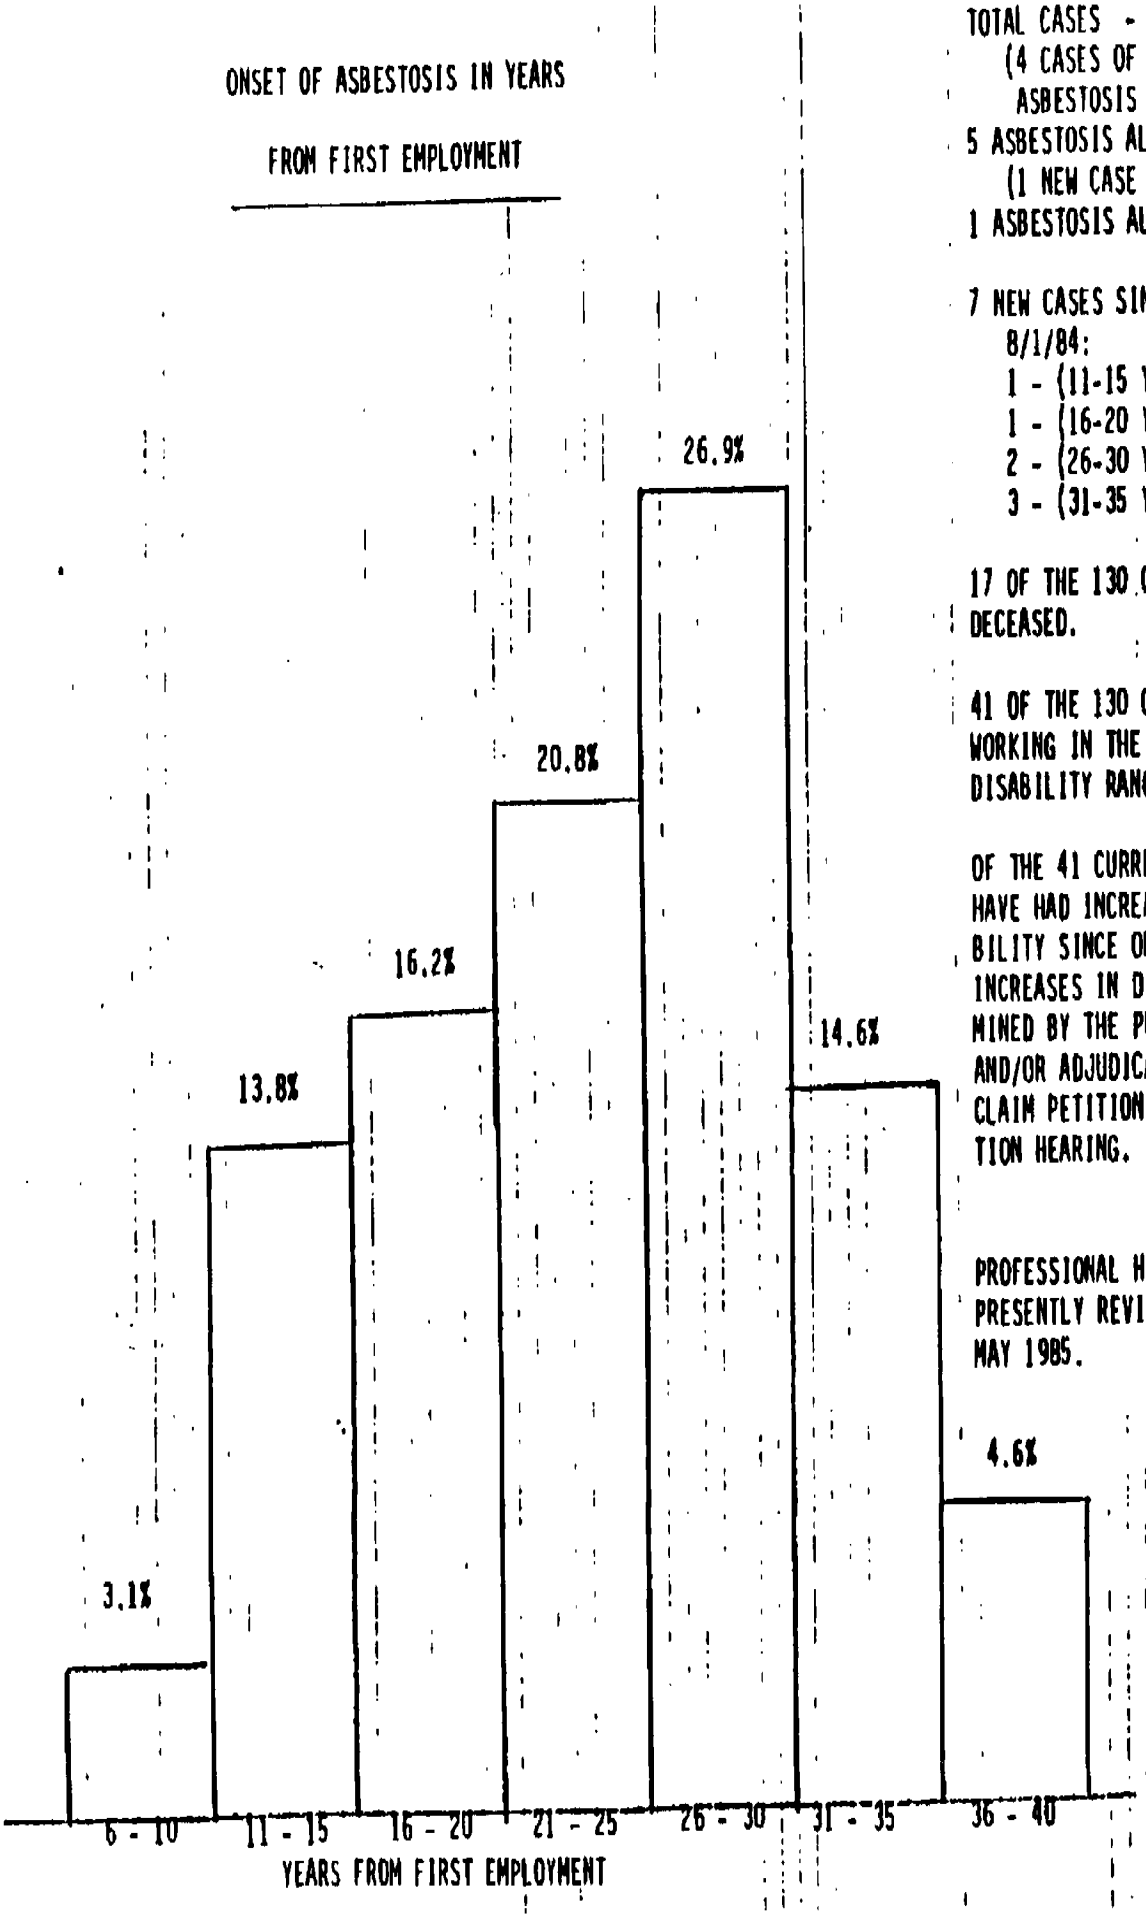

Please contact me if more information is desired.
