Miss Iola Sheppard
Secretary to Dr. Kehoe
University of Cincinnati
Cincinnati, Ohio

Dear Miss Sheppard:

I have your letter dated November 2, replying to a letter from Mr. Smith, President of the Standard Oil Company, addressed to Dr. Kehoe, dated October 31.

I am sorry to learn that Dr. Kehoe is out of the city, but I would like to know if you can get Dr. L. J. Schradin, who has had something to do with this case before, to take Dr. Kehoe's place and testify in the case. I would appreciate it if you would get in touch with Dr. Schradin at once and advise me.

As suggested in Mr. Smith's letter, Dr. Schradin should report to our attorneys' office, in the Comer Building, Birmingham, Alabama, on Tuesday, November 12, in order that they may go over the case with him, as the trial takes place on Wednesday, November 13. The name of the attorneys representing the Standard Oil Company is Bradley, Baldwin, All & White.

I would appreciate it if you would take care of this at once. If Dr. Schradin is not available, we will have to have some other expert on lead poisoning, and, if you have any other such doctor available, I will appreciate it if you will let me know.

Very truly yours,

GENERAL COUNSEL.
