Danny -- as you can see in the agenda below, we may be including a private coffee upon arrival into Indianapolis so if we may, could we please keep the current meeting with Governor Holcomb at the Statehouse? I know this is contrary to what we discussed last night and I apologize for the change. Kindly let me know if the rest looks good. I think the only thing I am waiting on from you would be the address of Starkey Farms.

Copying Amy on our press team who will work with your folks to determine how we want to loop in press on this visit.

Thank you so much,

Millan
