Attn: Ms. Virginia Beyer

Re: Hilton Head Vinyl Chloride Safety Association Meeting,
September 24-25, 1981

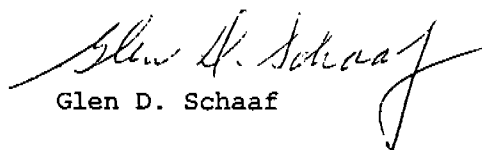

Dear Ms. Beyer:

I am enclosing a list of representatives from the Vinyl Chloride Safety Association. Note there are about 45 companies and many of these are in Europe. Many companies will send several representatives, hence our need for 80 rooms. We have established August 19 as the date all people should contact you for reservations and any prepayments required. We have quoted a \$48.00 per night charge for a double room.

This list should help you when people call in to make reservations. Mr. H.G. Olson will be sending out the meeting dates and general information to our group. He may call you for some additional information. His address is listed below. Please keep me informed of progress and any problems.

Sincerely,

BFGoodrich Chemical Group

Glen D. Schaaf
