**FEEDWATER-  
HEATERS**

**THROUGHOUT THE COUNTRY,  
EVERY MONTH MORE  
STRUTHERS WELLS FEEDWATER  
HEATERS GO "ON THE LINE"  
TO PROVIDE YEARS OF  
TROUBLE-FREE SERVICE**

True economy is provided by a combination  
of *accurate thermal design*,—whether for  
a simple heater, or one with desuperheating  
and/or drains cooling section—*sound me-  
chanical design*,—with rugged simplicity  
and ample factor of safety—and *skilled*

*fabrication*, in large modern shops, tooled  
to handle even the largest and highest pres-  
sure units with ease. This means equipment  
that will handle the job for years with a  
minimum of attention and maintenance and  
with a maximum of performance.

Send for descriptive Bulletin B-17, including  
"Tube Selection Chart," on your letterhead.
