Tate, I know you're talking to Tim about this, but any way a correction can be sent? I've gotten a question on it already.

The below is what I sent to Kelsi. Not sure why the attribution was changed.

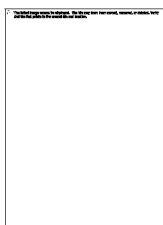

Thanks,
Jennifer

Kelsi, see the quote below.

“Biofuels policy has an important impact on the value of the crops we produce on our farm,” said Adam Schindler, a farmer from Reliance, South Dakota. “I am glad we were able to have that conversation with the Administrator today and to hear a sorghum oil pathway is near completion.”

It will mention our visit with sorghum farmers and the pathway for sorghum — which we hope to be done soon.

And our morning conversation with a utility company

Hi Kelsi, yes we can, anything particular you would like in the scope? Would you rather it come from the producer or our CEO?

Yes, I will be covering the event tomorrow for our organization and helping out in general.

Hey - would you all like to provide a quote for our release? We'd welcome that. Also, remind me, are you covering the event tomorrow?

Thanks!
Kelsi
