ORIG: OSHA FILE

Dear Mr. Ashby:

On February 6, 1986, this office received the report of a VCM monomer leak of 4,000 pounds on February 5 at your establishment. We were able to investigate this leak on February 11, 1986 and hold a preliminary closing conference.

The purpose of this letter is to request a copy of your company's final investigation report of this leak under standard 1910.1017(n) (3).

Respectfully,

  
Paul J. Hansen, Jr.  
Area Director

CWH 000006252
