Dear [5.1.2e]

In the context of the recently closed second stakeholder consultation on the PFAS Restriction, please find attached a note from the European FluoroCarbons Technical Committee (EFCTC) - a Sector Group of the European Chemical Industry Council (Cefic). For your convenience, you can also find attached a pdf extract of the EFCTC submission to the consultation. Should you need further information, please do not hesitate to contact me.

Kind regards,

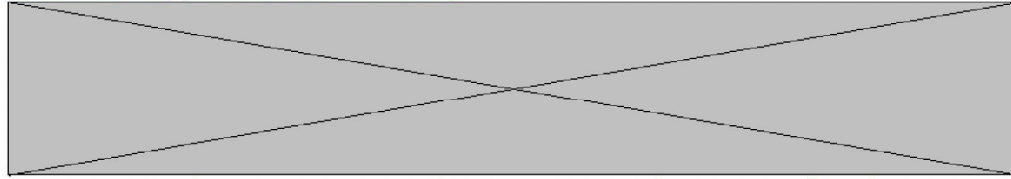

[5.1.2e]
