

1 had unlocked the clue for the invention, yes.

2 Q And that would have been the 18 months prior
3 to '72 when it came out?

4 A Yes, we had unlocked some of the clues so we
5 could bring in quite a few different personnel
6 involved in it then.

7 We could bring in corporate management,
8 corporate engineers and things like that.

9 Q And you have known Mr. Shannon for nearly 30
10 years?

11 A I have known him since 1961.

12 Q Okay. He was your boss and you two worked
13 together and you hold many patents together?

14 A Yes, for several years.

15 Q You have no reason sitting here today to
16 doubt anything that he would have written on OCF
17 stationery back in '65, '67 or '68; is that correct,
18 sir?

19 A I don't know what Mr. Shannon wrote, sir.

20 Q Now, you told us you are familiar with the
21 Multitemp program?
