Bill,

As you requested, here is an overview of the RVP regulatory options very similar to the one we presented to you earlier this year. Of these options to section 211(f), we believe option 1 provides the easiest path forward, followed by option 3. I'm also resending our summary cover note to you summarizing the reasons we also believe 211(h) would accommodate the proposed changes.

Please let me know if there is anything else we can provide to help you with this important issue. We would welcome the opportunity to meet with your staff and the folks in OGC to discuss these and perhaps other options in more detail.

Best regards,

Matt
