

Q U E S T I O N N A I R E

OSHA WARNING LABELING PRACTICES

Please complete and return this questionnaire as soon as possible but no later than January 11, 1987 to:

The Vinyl Institute
Wayne Interchange Plaza II
W155 Route 46 West
Wayne, New Jersey 074070

1. Please indicate whether it is your company's standard practice to apply an OSHA warning label on the following:

	Yes	No
In-Plant Storage Containers and Hoppers	()	()
Packages (Bags) of PVC Resin	()	()
Packages (Bags) of PVC Compound	()	()
Containers (Gaylords) of PVC Resin	()	()
Containers (Gaylords) of PVC Compound	()	()
Railroad Hopper Cars*	()	()
Dry Blend Shipments	()	()

SEE
Attached
Sheet.

*If you do label railroad hopper cars, please provide any information regarding your S.O.P. for locating and installation of such a label.

2. Please provide copies of labels used and indicate where they are used, viz. bags, containers, etc.
3. Is the OSHA warning label used on any other shipment container or in-plant? If so, please provide information of such use(s).
