vehicle?

A Whose brake linings?

Q Yes, whose brake linings are on the vehicle?

A Yes, water -- you would lose your brakes, which would be very unsafe, if you got water on some of the old brakes, yes.

Q Right. Now, with the Ford Model A, there were also instruction books that were sold with the car.

Are you aware of that?

A Sold with the car? Supplied with the car.

Q Supplied with the car when the car was sold.

A In a tool kit. Things were different in those days.

Q I would like to show you, after I show your counsel, Wood Miscellaneous Exhibit 14, and also Wood Exhibit Miscellaneous 15.

Again, I would like to show you what is being marked as Wood Miscellaneous Exhibits 14 and
