To the Members of the American Industrial Hygiene Association:

Since it has not been possible to hold our usual Annual Meeting this year, I will try to summarize, briefly, some of the Association activities. The election of officers was held as usual and the Teller's Committee has reported the election of the following officers:

Mr. Wm. M. Pierce

Dr. R. A. Kehoe will, of course, automatically become President of the Association for the year 1945-46. Since the Annual Meeting would have been held on April 26, the new officers will start their term of office at this time.

The President will appoint an Auditor's Committee to audit the books as of June 1, 1945.

The Secretary reports that there is now a total of 382 members of the Association. 19 members were dropped and 40 new members approved in the last year.

During the past year, one new local section of the Association has been formed and Constitution and By-laws approved by the Board of Directors. This Section is known as the Baltimore-Washington Section of the American Industrial Hygiene Association. Two other areas are actively considering the formation of a Local Section.

E. C. Barnes,
Secretary.
