I am getting briefed on NPL litigation, and have received some background info on the Bissel issue as well.

Byron – hope you had some time to enjoy the holiday weekend. Wanted to circle back with you on two things. First to see if you had any opportunity to look into the Indiana situation and might have any updates. Second, I mentioned the Bissel issue to you previously, they wanted to know if they could have a brief meeting this week if possible. From my understanding towards the end of last week the region (who had consistently been the problem) seemed open to a flexible solution and then came back and said HQ had vetoed the option.

Happy to be flexible and work with you on time for a possible meeting or call to discuss – whatever works best just let me know.

Thanks
