Samantha:

I hope all is well; I wanted to see if you or Nancy might be available to speak to the American Foundry Society meeting on the morning of June 21st there in DC? Ideally the speech would be a high-level EPA update at a 7:30 breakfast but if that is too early we can make other arrangements.

Please let me know if this works and I will provide additional information to you.

With appreciation, A.J. Ferate
