Hey Alan- Can you give me a call again? Just learned we actually can bump this up to earlier in the day. We can now travel in the night before.

Tate,

Thanks again for the chance to host the Administrator next week. We are very excited to have him spend some time in our beautiful state.

As we briefly discussed, Governor Herbert has asked Alan Matheson, the Executive Director of the Utah Department of Environmental Quality, to be the main point of contact from our office to help facilitate the Administrator's visit. Alan is an expert in water and air quality issues and is ideally situated to work with you and your team to create a substantive agenda for next week's visit.

Alan is cc'd in this email and he can be reached at **Ex. 6**

Thanks again and I look forward to seeing you in Rhode Island later this week!

Cody
