We manufacture red-lead for all purposes and guarantee our product to be of specified fineness, purity and color.

Painters' red-lead, varnish-makers' red-lead, color-makers' red-lead, battery red-lead, glass-makers' red-lead—these oxides can be had from us, as well as litharge and orange mineral.

These products are maintained at their high standard of purity and fineness through constant laboratory testing and strict manufacturing supervision. The established reputation of National Lead Company guarantees their quality.
