Mr. Oscar Schmidt, President
The Cincinnati Butchers' Supply Company
Helen and Blade Streets, P.O. Box 16D
Cincinnati, Ohio (45216)

Dear Mr. Schmidt:

It was thoughtful of you to write a note to me and send me the clipping. The photograph was fairly horrible, but the article in which it occurred was interesting - at least, the hypothesis which Mr. Gilfillan has advanced, is interesting. Things of this sort, some of which are almost fantastic, come our way because of our work with lead over a period of years.

Your problem was one in which we could be of help, and I was (and am) most pleased that we seem to have been able to come up with a satisfactory solution of it.

Sincerely yours,

RAK:vr
