

FROM Mr. J. E. Southwick DATE Oct. 23, 1972 FOR → Mr. S. T. Howell
CITY Strongsville, DPJRC cc: Mr. R. J. Haviland -#1
ANSWERING Mr. J. G. Kingston
LETTER OF Mr. W. M. Tomc
SUBJECT SPRED VELVET HOUSE PAINT - 860 LINE

The following formulas are being sent through to change to a lead-free drier system:

860-D-30100-A - Brown
860-E-30102-A - Gray
860-R-30104-A - Red
860-G-30105-A - Big Sur
860-G-30105-A - Pinon
860-L-30108-A - Gold

Cost increase will be 2¢ per gallon.

The Brown and the Red are being changed to use silica N-363 which is the inert used in the remainder of the formulas. This is being done to improve white-face.

J. E. Southwick
