

November 2, 1972

Mr. R. A. Moore, Mission Manager
Task Force On Industrial Metals
The Sherwin-Williams Co.
101 Prospect Avenue, N.W.
Cleveland, Ohio 44101

Dear Dick:

A copy of the abstracts re: lead feeding studies
is attached for your information in the event that you do
not have this information.

Very truly yours,

E. E. Swain, Jr.
Toxicity Coordinator
