

(Drislane - Purcell)

1 MR. FRIESTEDT: Objection to form.

2 A Your question again, please?

3 Q Can you show me or reference me to any FMSI
4 documents saying that it was any more than a hope of members
5 that chrysotile would not be proven to be associated with
6 mesothelioma?

7 A The answer is no. But I don't have FMSI records.
8 I live out home without any records. I left FMSI ten years
9 ago. I don't have any records. And I am not going to go and
10 get them, either.

11 MR. FRIESTEDT: Object to the form.

12 BY MR. PURCELL:

13 Q Can you cite for me any doctors or medical
14 articles that the FMSI had that in anyway supported the view
15 that chrysotile might not be associated with mesothelioma in
16 1973?

17 MR. FRIESTEDT: Objection to form.

18 A No, I don't have records.

19 MR. PAUL: Objection. Off the video record,
20 please.

21 MR. LELIEVRE: 11:30 a.m., we are no going off
22 the record.

23 MR. PAUL: I'm Edward Paul, I want to put a
