Hi Aaron:

Thank you for the followup. We would of course like to arrange the call and appreciate the clarification on inviting members. May we follow up tomorrow on the times? This is an important priority for us and we want to have the right group in place.

Best

Charles L. Franklin

Good evening,

I am following up on my previous email regarding a call Administrator Wheeler would like to have with you next week. I have not heard back from you and unfortunately, that window is no longer available. However, would you be available on Tuesday, May 5 from 11am-11:45am or Wednesday, May 6 from 3:00pm – 3:45pm? Administrator Wheeler would also like for you to invite as many as your member companies as possible. Once we are able to confirm a date/time, if you could email me and Michael Molina a complete list of your participants, we would appreciate it.

Thank you.

Aaron Dickerson  
Senior Advisor  
Office of the Administrator

**Subject:** Smart Sector Partner Call with EPA Administrator Andrew Wheeler

Hello,

I hope this email finds you well. On April 16<sup>th</sup> EPA released 8 new sector [snapshots](#), including one for your sector. As a follow-up to publication of the snapshots, we would like to invite you, as well as any representatives from your member companies, to a call with Administrator Wheeler. This call would serve as an opportunity to discuss the snapshots, your participation in the Smart Sectors Program, and other issues pertinent to your sector.

Please respond with any times on Tuesday, May 5, 2020 between 2pm – 5pm eastern time that would not work for your organization. Once the call is scheduled, the Smart Sectors Program staff will be in touch with you to confirm attendees and learn of any topics you intend to raise on the call.

Thank you.

Aaron Dickerson  
Senior Advisor  
Office of the Administrator  
U.S. EPA
