Dear Alex,

It was a pleasure to talk with you about your concession operations at the Park, as well as hear about some of the other programs that Vail Resorts has developed for attracting and retaining talent. I welcome the invitation to participate in Every Kid in a Park.

If you are ever in the DC area, please let me know.

Kind Regards,

Aurelia,

Great meeting you yesterday and I hope that you enjoyed your brief visit to Grand Teton National Park. Please don't hesitate to reach out if I can ever be of assistance regarding concession operations or other issues relevant to our Parks. I will definitely try to look you up next time I'm in DC but would welcome the opportunity to connect anytime to discuss how we can improve the visitor services and facilities in the Parks.

As we discussed below is a video link to the Every Kid in a Park video that was produced this spring to document the program that we started a few years ago with the Stalker Elementary School from Blackfoot Idaho. It's a great event and we'd welcome your participation next year. Once we set dates I'll make sure that we send you an invitation.
