Hello Holly or any EPA acting agent.

In these links below is a company offering services, products and end user software, to actively advertise to tamper or delete emissions devices.

Please investigate it immediately with enforcement.

The following thread I responded to below for tech support substantiating this & the need to report this to EPA in regards to this company.

**( Gonzo Tuning AKA GTS )**

Thread : <http://forums.ross-tech.com/showthread.php?11568-Hello-all!-Fun-troubleshooting-ahead!-03-Passat-1-8T-odd-cruise-control-issue-misc>

Links to company and products in clear violation + attached.
