Dear Mr Fulwiler

Attached please find a proposal for the creation of the Fred S. Venable Memorial Forum. I think you will find the proposal self explanatory. Funding will be generated at the direction of the Law Committee and will be headed by Herschel Hobson, Ph.D., J.D. the solicitation will be directed towards peers of Fred Venable and appropriate corporations.

Upon approval of this proposal by the AIHA Board the law committee will establish a selection committee and prepare selection guidelines. However we are in need of direction as to the mechanics for creating the Trust Fund under the AIHA. I look forward to hearing from you on this issue and working with the AIHA board in establishing the trust.

Sincerely

Patrick McMullen
Vice Chairman
Law Committee
