CIBA COMPANY, INCORPORATED  
637 Greenwich  
New York 14, New York

ATTENTION: Miss Sullivan

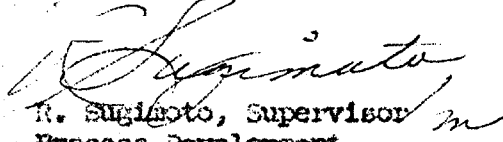

Dear Miss Sullivan:

We have been advised by our New York office that the original quantity of tetraethyllead desired by your company is 200 grams instead of the two grams previously sent you. Therefore, we have shipped this amount to your attention today and it is our understanding that the original two gram sample of tetraethyllead will be returned.

Trusting this will fulfill your present requirements, I remain,

Very truly yours,

ETHYL CORPORATION
