Re: Colby v. Union Carbide Corporation

Dear Greg:

Please be advised that this matter has been assigned a trial date of November 8, 1993, which I consider to be a relatively firm date. As you know, we have completed the depositions of plaintiff's liability experts and are scheduled to complete the depositions of the treating physicians this month. We expect to provide our expert reports to plaintiff in the beginning of October.

I believe that we should schedule a meeting in the near future to discuss plaintiff's settlement demands and trial preparation. I will call you in the next few days to discuss this and, if you agree, to arrange a convenient date for the meeting.

Sincerely,

ROBERT L. HOLLINGSHEAD
