Good Evening All,

Please see the attached time-sensitive letter from Congressman Harris to Secretary Duffy regarding requested action with a DOT-administered grant. Congressman Harris would like to set up a time to speak with Secretary Duffy on the phone regarding this specific request, as well as to touch on the issue of offshore wind more broadly. I have cc'd Victoria Cesaro, the Congressman's Director of Operations, to assist in finding a mutually agreeable time.

Thank you,

Mark Brown
Legislative Assistant
Congressman Andy Harris (MD-01)
