the morning of April 2

The Nationalist fighters, it said, were making low-level strafing runs on Communist junks concentrated near Chapu on Hangchow Bay for an amphibious assault on the Chusan Islands. This island group, about 100 miles southeast of Shanghai, is used by the Nationalists for air and naval bases.

The communique said one of the Nationalist pilots bailed out and returned safely to base.

Taipei newspapers splashed the communique. One carried the headline: "Russian Planes Openly Attack Ours."

The communique added:
