Hi Kevin,

Hope all is well! It was great to meet you at DOE last month when I was in my prior role discussing hydrogen.

We work with a number of clients in this space and I would love to keep in touch.

Do you have time for coffee in the coming weeks?

Thanks, Emma for the intro! She is fantastic and we just caught up this morning.

Best,
Colleen

This email originated from outside of the organization.

Hi Kevin,

Happy Friday! I wanted to introduce you to my former colleague Colleen Moss, who was at the CHFC meeting with you, Steve, and Taylor back in February. She recently joined Cornerstone Government Affairs and is still working in the energy space. Thought it might be helpful for you two to reconnect.

Hope you had a chance to enjoy the cherry blossoms!

Best,

Emma
