Dear Mr. Kehoe:

I am in receipt of your letter of June 13th relating to Cartridge Type Respirators.

I am very sorry that we do not have one of these mask available to send you, as all of ours are in constant use. However, they may be obtained from Willson Products, Inc., Reading, Penn.

I am enclosing a folder describing these respirators, and hope that I may hear from you regarding their use in the near future.

Yours very truly,

C. M. Liles
