Dear Millan,

Thank you for sharing with us the draft agenda for Administrator Pruitt's visit to Morocco. I just wanted to give you some preliminary comments related to the agenda and I might get back to you if we have more feedback.

Regarding the meeting with Dr Abbadi, I just wanted to flag that he is not based at the Mohammed VI Imam Training Center. So I would advise setting up an extra stop (30-45min) to visit the Imam center potentially on the way to Marrakech.

Concerning the roundtable of judges and prosecutors on Rule of Law, I will get back to you on this since I am not an expert in this field.

I just wanted to let you know that there was also a possibility of adding a visit to the Polytechnic University of Benguerir since they have a program related to the protection of the environment etc.

Lastly, regarding Administrator Pruitt's return flight. I just want to let you know that he could also catch flights to Paris via Marrakech and Casablanca to avoid his return all the way back to the capital to fly to the US.

I will get back to you if we have more feedback.

We will also work with the MFA in Rabat to secure these meetings. I am sure that the US embassy in Rabat is also working towards this end.

Warm regards,

Isam
