

13:33:26:10 work practices that could give rise to airborne
13:33:31:20 asbestos dust?

13:33:31:30 A Probably in the late '70s, yes. I can't
13:33:35:40 give chronologies on this thing. I know you
13:33:37:50 weren't asking for them, but I'm saying they are
13:33:39:60 relative to the problem.

13:33:41:70 Q Let me see if I can make it easier for
13:33:43:80 you. At some point you knew that and the
13:34:03:90 documents would show whenever that is, fair
13:34:07:10 enough?

13:34:07:10 A I don't know the documents would show it.

13:34:11:20 Q We will take those when we get there. Do
13:35:01:30 you need to take a little break?

13:35:01:40 A No. I would like to keep going.

13:35:07:50 Q All right. I want to show you what I am
13:35:09:60 going to mark as Plaintiff's Exhibit 4, which is
13:35:11:70 the minutes of the meeting of the Asbestos Study
13:35:41:80 Committee dated September 15th, 1971. Hand that
13:35:51:90 to you, sir.

13:35:52:00 A I have looked at it. I'm not going to
13:36:02:10 read it.

13:36:02:20 Q No, I wasn't asking you to, sir. As you
13:36:02:30 can see, the projector cut out again and we are
13:36:02:40 going to need to take a technical break here.
