Q Thank you, Doctor. I am done with the overheads. Thank you.

(Whereupon, the documents were removed from the screen of the overhead projector.)

THE COURT: How much longer do you anticipate your examination?

MR. HOFFMAN: About 10 minutes, Judge.

THE COURT: We will stop promptly at 4:15. I will not make the jury lose their break today.

(Whereupon, the witness resumed the witness stand.)

BY MR. HOFFMAN:

Q Doctor, you used the term chronic in referring to asbestos diseases.

Do I understand that you use that word to mean that all asbestos diseases take a long time to develop?

A Especially mesothelioma.

Q Well, asbestosis, also, correct?

A Well, asbestosis will still take a few years, yes.
