Dear Miss Sheppard:

I am returning to you herewith the letter of Mr. Dunn relating to the contract with the University, together with a copy of my letter of today to him, in interpretation of one clause to which he raised objection. Mr. Dunn's letter and my letter should be attached to our copy of the agreement as finally drafted to be held as a matter of record.

I am also sending you a copy of the agreement with a change agreed upon in our conference of yesterday. I am very sorry to have to put Dr. Friedlander to the inconvenience of submitting a changed agreement to the Board of Directors of the University. However, I am sure he will understand. Therefore, I wish you would make six copies of this agreement as modified and take them over to him with the request that he substitute them for the copies which I delivered to him last Monday.

I believe and hope that this will clear this question up so that you will have no further trouble with it.

Very truly yours,

Robert W. Kelner
