Hi Pam, I wanted to touch base with you on both Secretary Perry and Secretary Zinke's speeches at the NPC event on Monday. Our staff has spoken with Secretary Zinke's staff and we would like to discuss possibly combining both Secretary's into one longer session with a more conversational format. We have done events with this format in the past and it has gone over really well. Ideally we would hold an hour for this portion of the meeting. Each Secretary would provide about 7 minutes of opening remarks, and the rest of the hour would be a Q&A session moderated by someone from NPC leadership (we assume Mr. Armstrong would be the best person to moderate).

Is this something that you all would be able to accommodate? If so we could have both Secretaries at the event from 3PM-4PM on Monday. I am happy to discuss via phone as well, my direct line is 202-586-7941- thanks so much!

Importance: High

Thank you, Deidre, for your prompt confirmation that Secretary Perry will attend the September 25 Meeting and Reception of the National Petroleum Council. Pursuant to this, NPC Chair Greg Armstrong will announce the September 25 NPC Meeting and Reception to the membership via e-mail this afternoon.

The following tentative Agenda can be adjusted as necessary to facilitate the Secretary's schedule on September 25. Currently, the tentative Agenda is envisioned to be along these lines:

3:00-3:05 p.m. NPC Meeting is called to order
3:05-3:30 p.m. Conduct of NPC administrative matters
3:30-3:35 p.m. Introductory remarks of NPC Chair Greg Armstrong to welcome Secretary Perry
3:35-4:00 p.m. Secretary Perry's remarks to the membership

4:00-4:15 p.m. Q&A between Secretary Perry and the NPC membership
(NOTE: Press and public will NOT be permitted to ask questions)
4:15-4:45 p.m. Guest speaker (TBD)
4:45 p.m. NPC Meeting adjourns
5:00-7:00 p.m. NPC Reception for the membership and invited
Administration officials (Press and public will NOT be permitted to attend)

This tentative Agenda includes time for remarks from a guest speaker, who would likely be another senior Administration officer. It is hoped that the Deputy Secretary of Energy will attend the Meeting and, in addition, address the NPC membership. Can you provide me the name of the proper person in the Deputy Secretary's office through whom I can extend an invitation to the Deputy Secretary to attend the September 25 Meeting and Reception?

As we discussed last week, the Council traditionally holds an informal reception in conjunction with its annual meetings. These receptions allow an opportunity for the Secretary and other senior Administration officials to visit informally with Council members. As shown above, the NPC Reception will immediately follow the Meeting on the afternoon of the 25th to facilitate the Secretary's participation.

Again, Deidre, I thank you for your assistance in scheduling the September 25 NPC Meeting and Reception. As this tentative Agenda becomes more fully developed, I will update you. Please do not hesitate to contact me if I may answer any questions you and/or the DOE staff may have regarding the September 25 events.

Thank you.

We just need the Chief of Staff's approval before anything can be added to the schedule, and I saw that Scott hadn't been added to the email. We would be able to do a 12:15-12:45pm call; that timing is safer in case the roundtable he's in prior runs over. Please let us know the best number.

Regarding the Harold Hamm meeting, their office had told us they were only available on Wednesday and Thursday so the availability window may have changed or there was a miscommunication somewhere down the line. As they had officially requested a meeting already and have already been in touch, our scheduling office is following up with them directly this morning.

Good Morning Christine,

As discussed earlier, The Secretary will be traveling down to Florida this week. If possible we have two events we would love the Governor's involvement with this first is on Thursday, October 5th from 3:30 PM - 4:15 PM at Lake Okeechobee and Herbert Hoover Dike there will be a press conference at Canal Point and on Saturday, October 7th is mostly an all day event in the Everglades. The Everglades trip is hosted by Senator Marco Rubio and about 7 members of the Florida Delegation. I have CC'd Leila Getto who is the Secretary's scheduler who can coordinate with Priscilla on specifics. Hopefully, the Governor will be available to attend!

Good Morning Christine,

As discussed earlier, The Secretary will be traveling down to Florida this week. If possible we have two events we would love the Governor's involvement with this first is on Thursday, October 5th from 3:30 PM - 4:15 PM at Lake Okeechobee and Herbert Hoover Dike there will be a press conference at Canal Point and on Saturday, October 7th is mostly an all day event in the Everglades. The Everglades trip is hosted by Senator Marco Rubio and about 7 members of the Florida Delegation. I have CC'd Leila Getto who is the Secretary's scheduler who can coordinate with Priscilla on specifics. Hopefully, the Governor will be available to attend!

Respectfully,
