Liberty and West is the closest intersection. There is Valet parking right outside the gate. Let me know if map came thru. Rusty

That would have been helpful had I included that, huh? Our access to documents including the schedule is currently down but I will send when I can get back on so I give you the accurate time

Hey, Jack. We are scheduled to depart on the boat from the North Cove Marina at 3:00 pm on Tuesday so I would recommend arriving there around 2:30. I should be there around that time as well so feel free to call me when you arrive. Rusty
