WHITE CREST

Interior Vinyl Latex Paint

White Crest Interior Vinyl Latex Paint is a high hiding flat wall paint for use over almost any properly prepared interior surface. It is extra heavy in body, yet brushes with amazingly easy "slip." May be applied by brush, roller or spray. Available in white only, White Crest Interior Vinyl Latex Paint may be tinted to any light color with O'Brien's Tone-All. Do not tint with conventional paints or oil colors.

DIRECTIONS FOR USE

For New Unpainted Wall Surfaces

1st Coat—White Crest Interior Vinyl Latex Paint. (Over new or unpainted wood or metal, always use White Crest Wall Primer and Sealer or Liquid Velvet Primer before applying White Crest Interior Vinyl Latex Paint.)

2nd Coat—White Crest Interior Vinyl Latex Paint.

For Old Painted Wall Surfaces

1st Coat Work—One coat of White Crest Interior Vinyl Latex Paint will do an excellent job.

2nd Coat Work—If the paint film is in bad condition or a radical color change is made, apply two coats of White Crest Interior Vinyl Latex Paint.
