Subject: Media Request

Hi Tricia,

My name is Annalisa Pardo and I am a reporter with Fresno's KSEE24, but stationed in Washington, D.C. I am reaching out in hopes of getting in contact with someone from the EPA who could speak on how proposed EPA budget cuts could affect air quality and thus health conditions, such as asthma. Because this is a time-sensitive story, I am hoping to be able to speak with someone in a quick (no more than 10 minute), on-camera interview tomorrow, late afternoon. Please let me know if this is possible, I would greatly appreciate it.

Best,

Annalisa
