

FILE NAME: Johnson & Johnson (JAJ)

DATE: 1971 June 29

DOC#: JAJ010

DOCUMENT DESCRIPTION: Press Release

June 29, 1971

Statement issued to New York Daily News and New York

Post this date:

"Johnson & Johnson takes great care to assure the purity of its products, even to the extent of mining and processing our own talc for use in baby powder. Our fifty years of research knowledge in this area indicates that there is no asbestos contained in the powder manufactured by Johnson & Johnson."
