Dr. R. A. Kehoe,

Dear Dr. Kehoe:

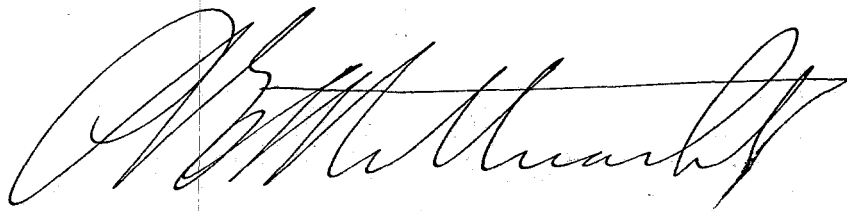

With further reference to your letter of June 11th in which you call our attention to certain of your requirements that are not being fulfilled at given mixing points, we now have a letter from Jack Martin, copy of which is attached hereto.

I have written him that I am waiting to hear from you with regard to the Cleveland, Oklahoma installation of Johnson Oil Refining Company.

I would thank you to please give me your comments on his advice with regard to the Root Refining plant at El Dorado.

The other points seem to have been cleaned up in nice shape.

Yours very truly,

C:C
