

AR 226-1004

NOTE TO FILE - AR 226/OPPTS 50639

DATE: March 14, 2001

FROM: Karen Lannon

SUBJECT: 1/4/01 Meeting with Department of Defense (DoD) concerning Aqueous Film Forming Foam (AFFF)

A meeting was held on January 4, 2001 to discuss alternatives to PFOS-based AFFF and possible DoD plans for transitioning away from PFOS-based AFFF. Basic elements of a Significant New Use Rule (SNUR) under TSCA Section 5 were discussed. Information specific to the proposed PFOS SNUR was not discussed. The attendee list is attached.
