Checking back in on this – no word yet from the scheduling team. Happy to reach out to them myself if you'd prefer.

Mandy,

Would it be possible for our CEO, Chris Jahn, to have a phone meeting with the Administrator soon? The purpose of the meeting is to brief the Administrator on ACC work on ethylene oxide. We can work entirely around his schedule, so whenever he can give us time, we will be available.

Thanks and happy to lob a formal request in if needed.
