

Interoffice Memorandum

TO (Name and Location)	J. F. Stelluto - New York	DATE	May 14, 1982
FROM (Name and Location)	M. R. Stenzel - Dallas 2	REFERENCE NO.	MRS-65-82

Subject: Asbestos Gloves (Ref: JFS-42-82)

This memo is in reply to your recent request.

All Chemical Company purchased products have previously been reviewed for hazardous components. In the case of asbestos products, appropriate substitutes are used whenever possible. This policy is continued for future purchases at each location with a Hazardous Purchased Substances Review by the Plant Industrial Hygienist. The Hazardous Purchases Substances Review program has been in effect since 1977.
